RE: Votes to Third Read and Pass HB 1327 & 2000

Dear Representative,

Missouri Right to Life wants to say “Thank you” to those House members who voted to move HB 1327 & 2000 forward on Tuesday, March 30, 2010. We know that much debate has taken place on these bills, both in committee and on the House floor. We also know that it takes great courage to vote to call for the previous question (PQ) and move a bill forward through the process in order to get it to fruition where women and unborn babies will be protected under the law.

Your courage in this vote and any votes ahead on HB 1327 & 2000 that will be needed to protect women and unborn babies are very important votes to pro-life Missourians. Legislators of both parties that stay the course on this critical pro-life legislation will be highly recognized across the State of Missouri.

Once again, “Thank you” for your votes on HB 1327 & 2000 on Tuesday, March 30, 2010 while pro-life Missourians from across the state were in the Missouri State Capitol for pro-life action day! We will pass your great work on to pro-life Missourians who were not able to be in Jefferson City for this exciting event.

Your help in encouraging the Senate to take up and pass this important legislation will be greatly appreciated by pro-lifers across the state.

Sincerely,
Pam Fichter
President
